d'trax

D'TRAX DESIGN PTE LTD

Company Profile *2026*

Imagine. Design. *Inspire.*

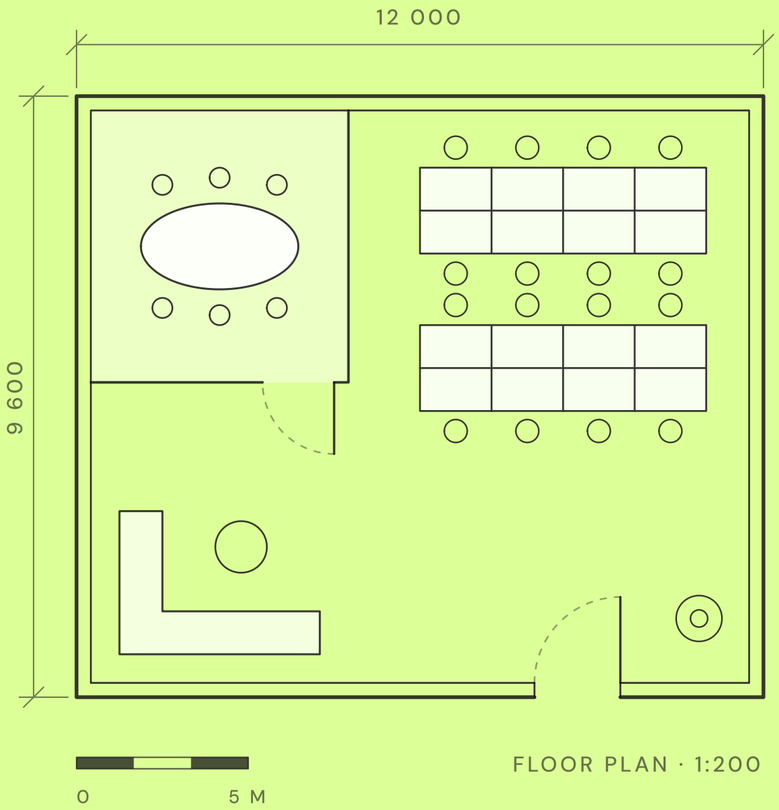

Commercial offices, designed and built in Singapore since 2003.

01

About *D'trax*

Imagine. Design. Inspire.

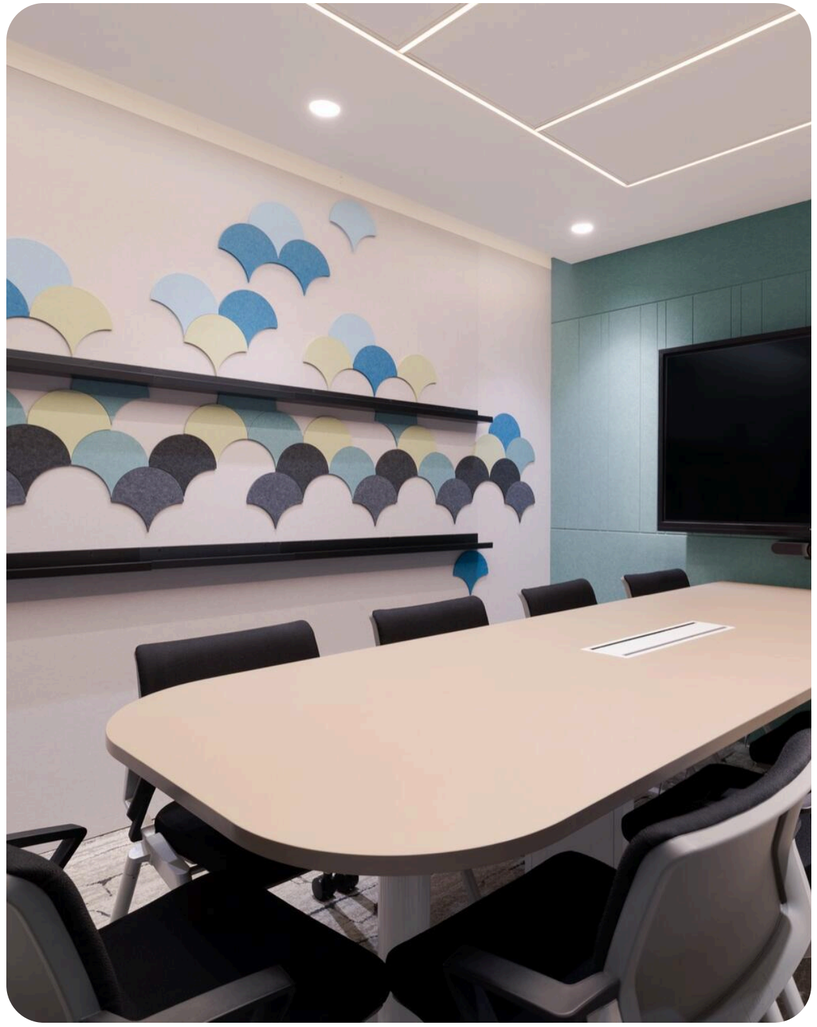

FLOOR PLAN · 1:200

Imagine. Design. Inspire.

Since 2003, D’trax Design has designed and built *commercial offices* in Singapore.

One team designs, costs and builds every project, from the first brief to the day you move in.

In *numbers*

TRACK RECORD

100+

offices delivered since 2003

RETURNING CLIENTS

37%

of our projects in the last 5 years came from returning clients

Why clients choose *D'trax*

01

One team, from brief to handover.

In-house design, costing and construction, with buddy-system continuity.

02

Certified and compliant.

ISO 45001:2018 · bizSAFE Star · BCA-registered, CR06 Interior Decoration & Finishing Works (L3).

03

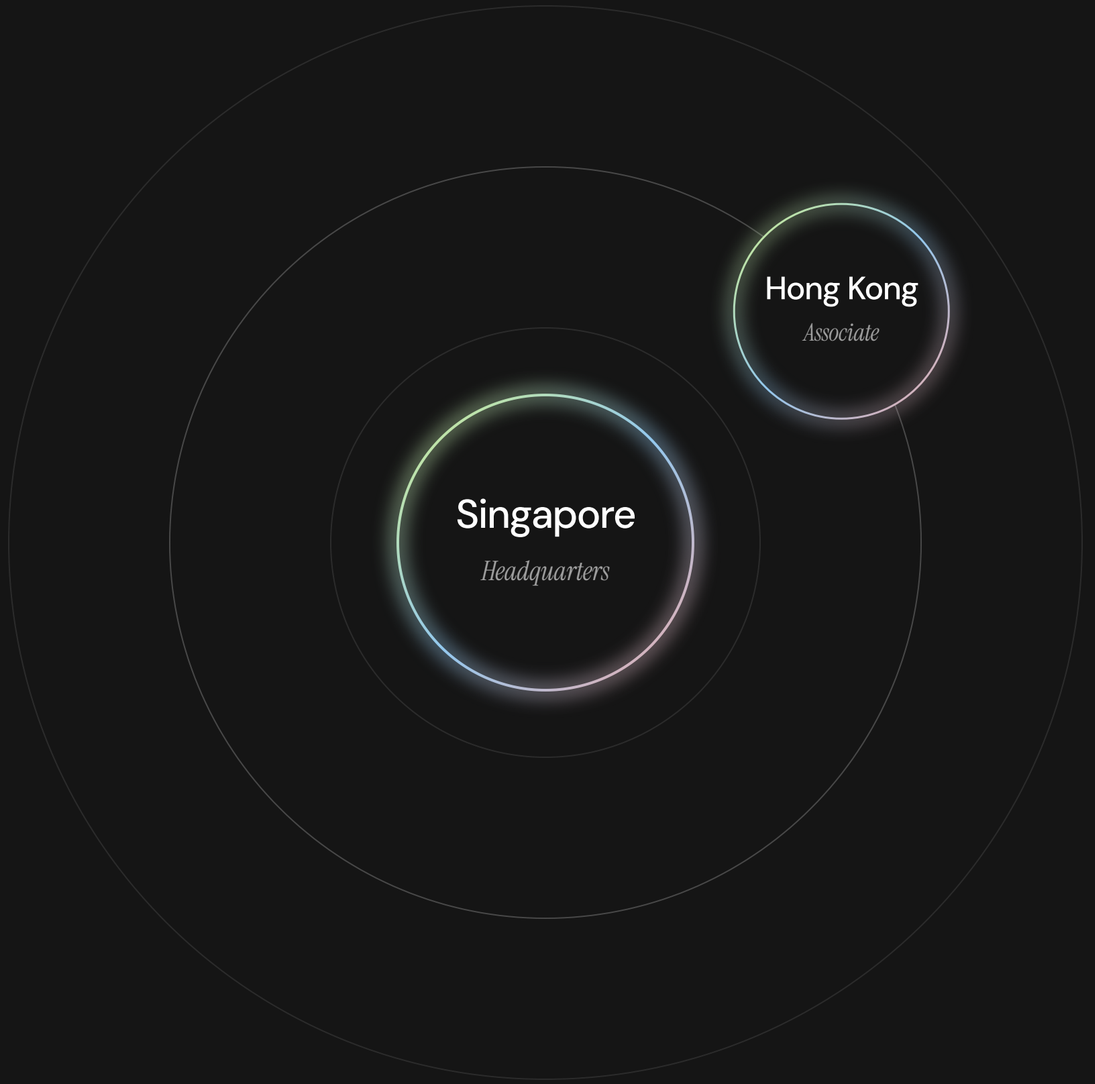

Award-winning.

SIDA 2023 Bronze, Best in Workplace Design, for the Group-IB office.

d'trax

Our *associates*

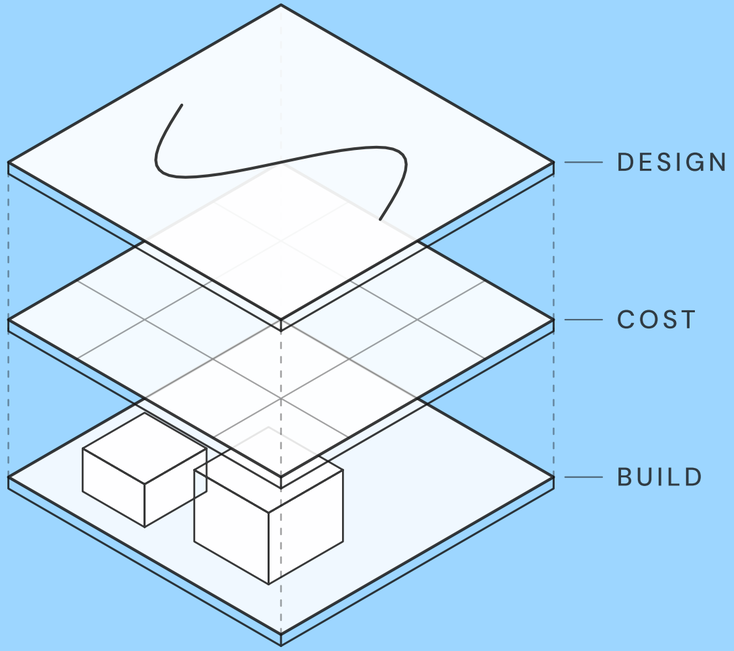

Headquartered in Singapore, with an associate in Hong Kong.

d'trax

02

Services & *capabilities*

Design, costing and construction, under one roof.

We design, cost and build your office.

All in-house, all one team.

Services & *capabilities*

01

Design & consultancy

- Project and site evaluation
- Space planning
- Consultancy services

02

Strategy

- Full interior design turnkey solutions
- Preliminary and detailed budgeting
- Design and contract documentation

03

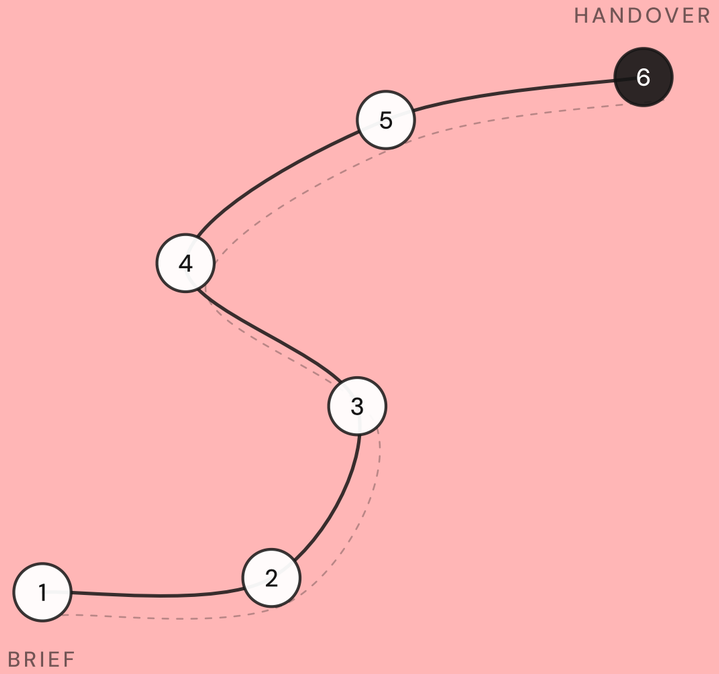

Construction

- Project management
- Move management
- Post-occupancy maintenance

03

Our delivery *approach*

From brief to handover, and after.

Six stages, *one point of contact.*

At every stage, our buddy-system keeps your project moving, from brief to handover.

01
Brief & feasibility

02
Design development

03
Costing & documentation

04
Construction & build

05
Handover & move

06
Aftercare

Stages *1 to 3*

01

Brief & feasibility

Project and site evaluation, space planning, and workplace strategy. We study how your teams work before we design where they work.

02

Design development

Concept through detailed design, developed around your brand and the way your people work.

03

Costing & documentation

In-house quantity surveying, budgeting, and full design and contract documentation. Budgets are set by our own team, not outsourced.

Stages *4 to 6*

04

Construction & build

Full fit-out, run on site by a dedicated project team, under our ISO 45001 and bizSAFE Star safety systems.

See progress without being on site.

05

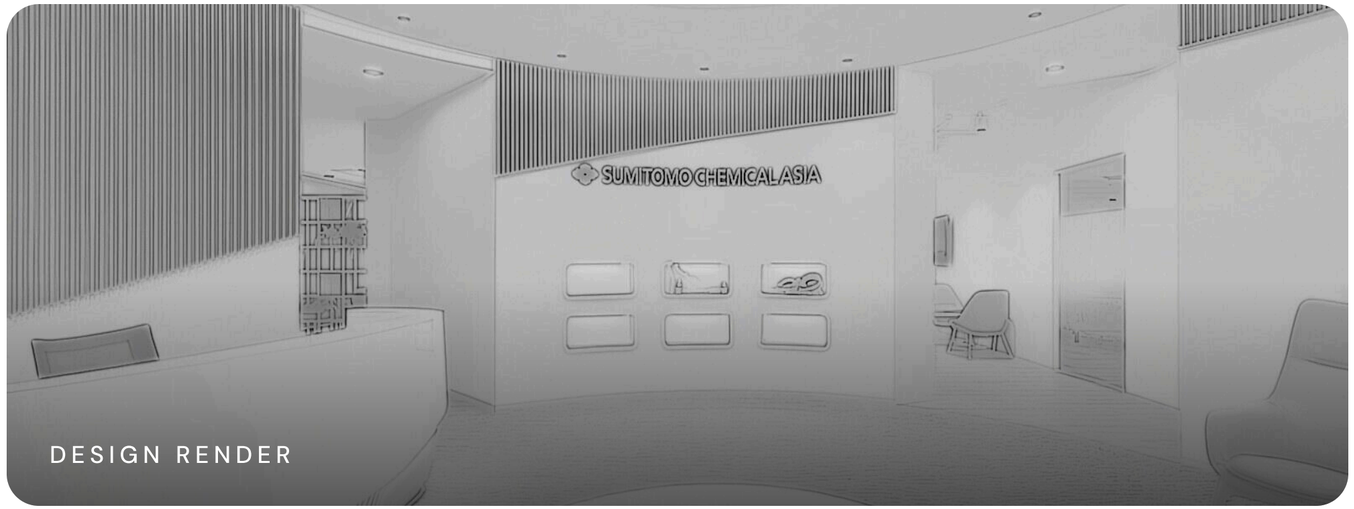

Handover & move

Move management and handover to a completed, move-in-ready space.

06

Aftercare

Defects and snagging follow-through during the defects liability period, plus warranty support with supplier coordination.

See progress *without being on site.*

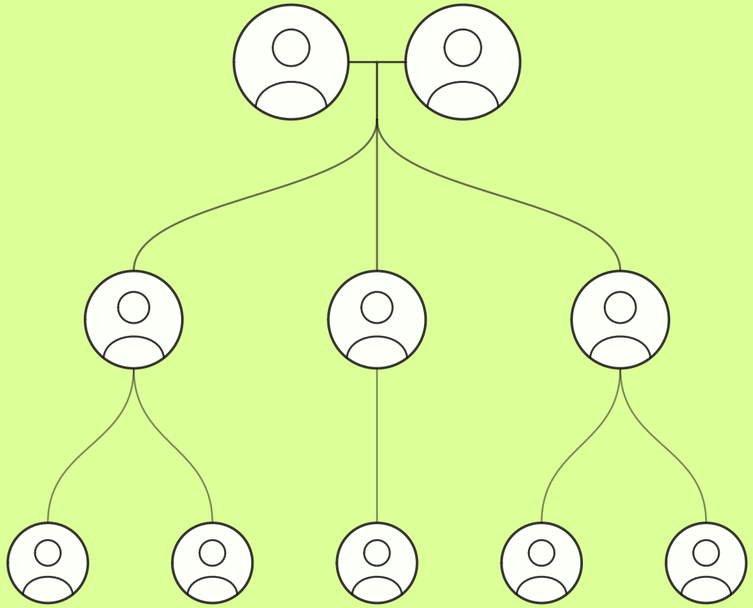

Reality-capture technology gives you virtual walkthroughs and visual updates throughout the build.

- Virtual walkthroughs
- Visual progress updates

Sumitomo Chemical Asia: design render and completed office.

04

Recent *projects*

2024 to 2026

06

Featured *projects*

12 workplaces we have designed and built.

01 / 12

Group-IB

A dynamic, versatile HQ built for collaboration.

7,500 sq ft | Design-and-build

SIDA 2023 Bronze, Best in Workplace Design

Multi-use zones that switch between focused work, meetings and social time

A social bar that doubles as a working and lunch space during the day

Frosted glass-brick signage wall that glows into a sculptural feature when backlit

Technology / Cybersecurity · Innovis, 2 Fusionopolis Way

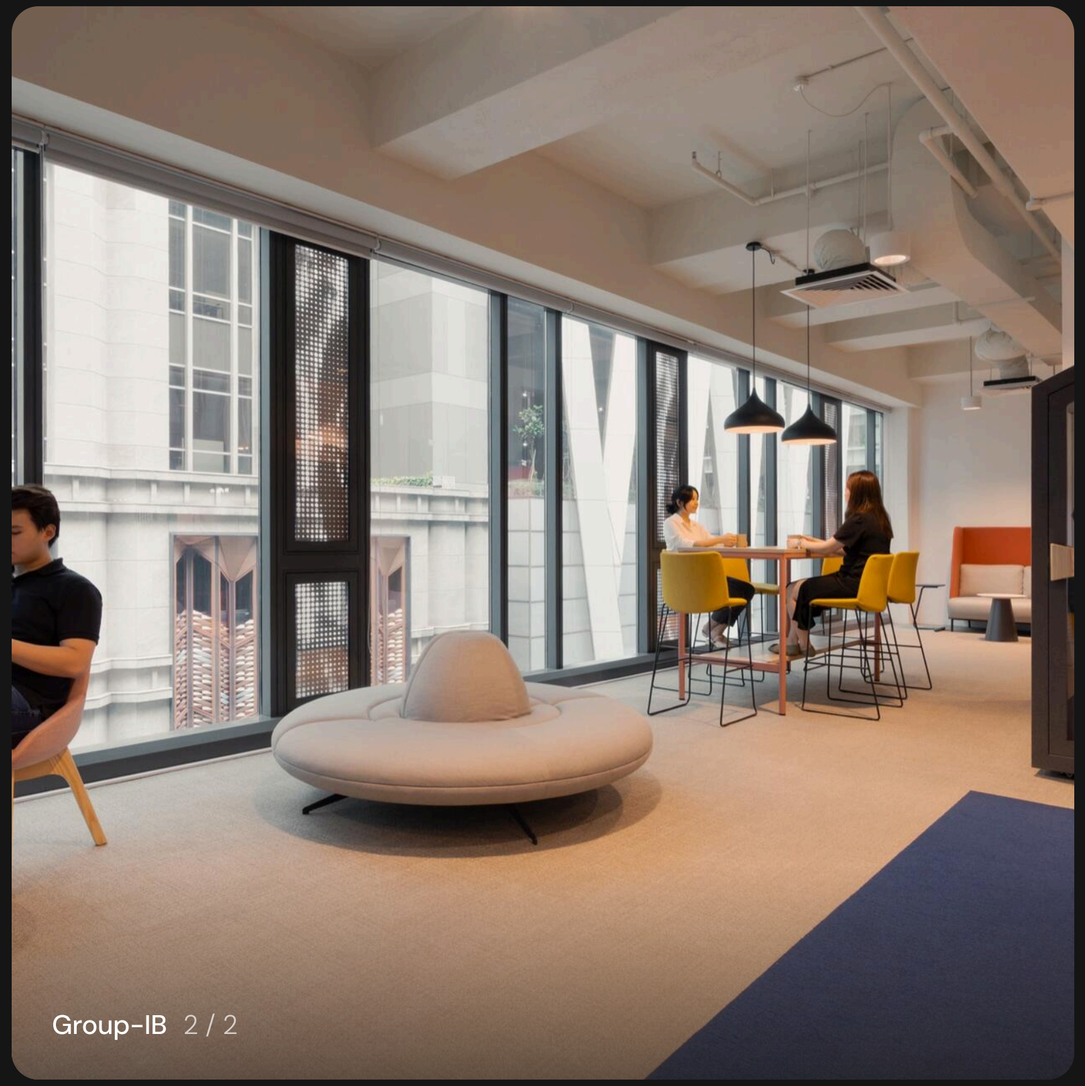

d'trax

Group-IB 1 / 2

Group-IB 2 / 2

02 / 12

OMS ROC

A bold, futuristic space inspired by fibre-optic networks.

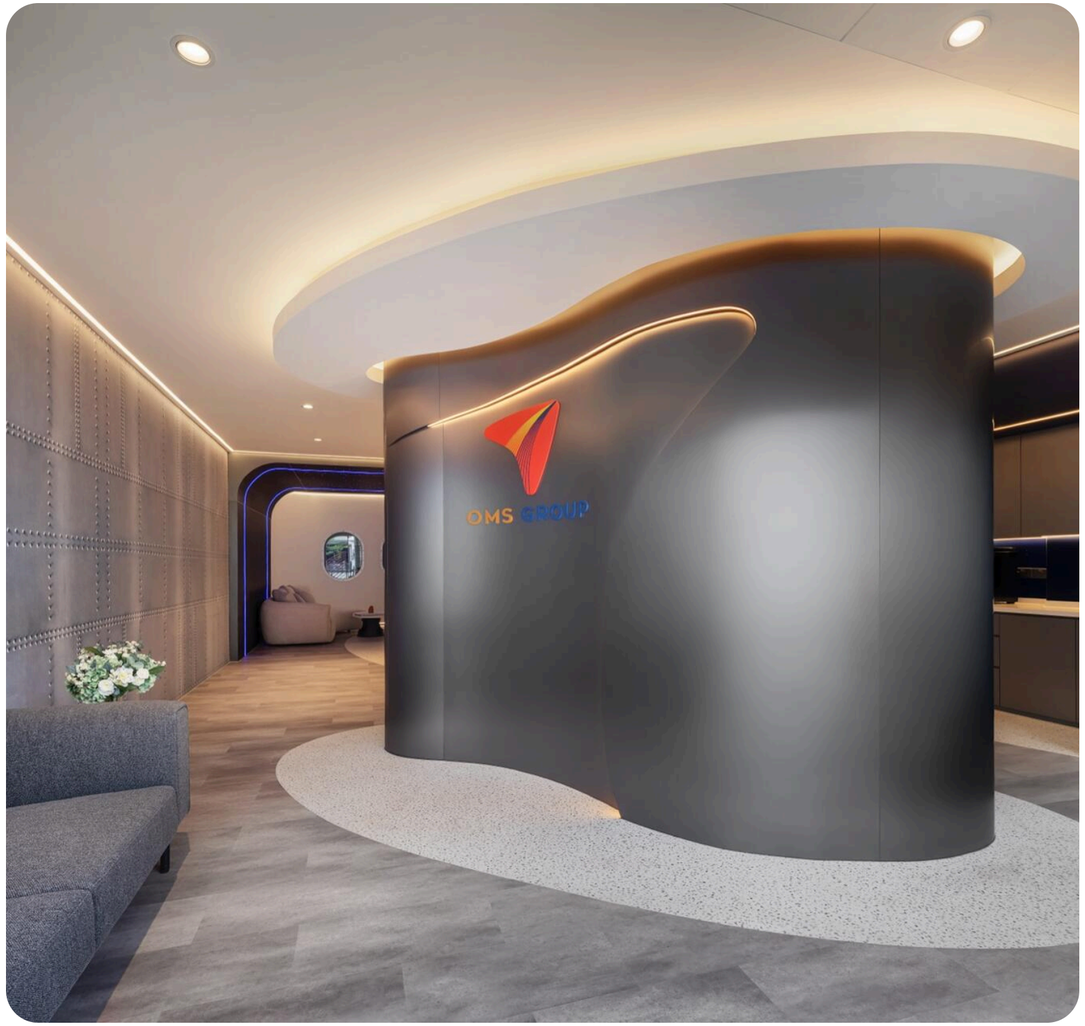

2,000 sq ft | Design-and-build

Metallic finishes and reflective surfaces echoing the technical nature of the business

Optical-fibre and programmable RGB lighting symbolising data transmission

An immersive environment mirroring the invisible networks OMS builds beneath land and sea

Marine / Subsea Infrastructure · Excalibur Centre, 71 Ubi Crescent

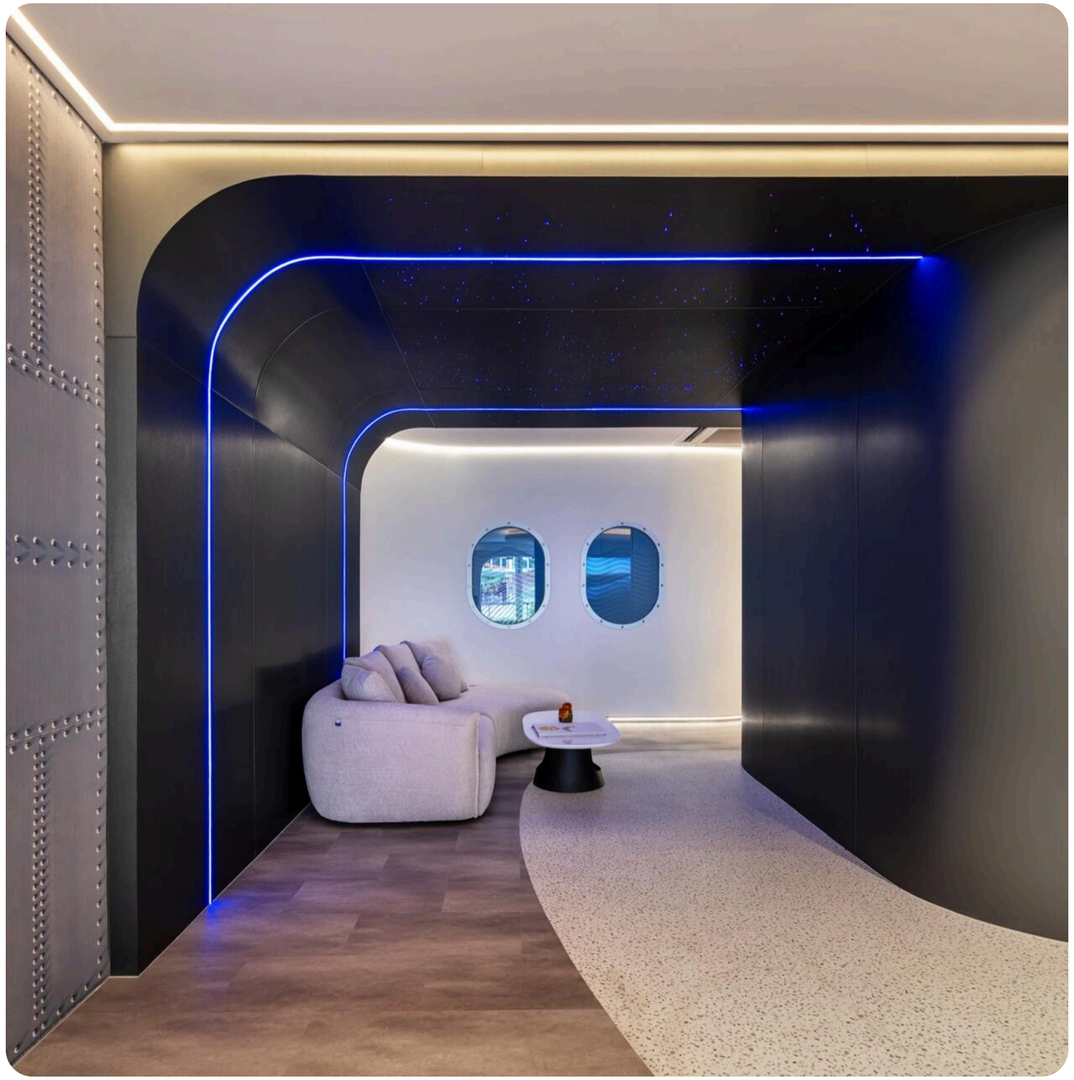

OMS ROC 1 / 2

OMS ROC 2 / 2

03 / 12

Singapore Pools

A revitalised workplace shaped by employee feedback.

Government / Community · 210 Middle Road

12,800 sq ft | Design-and-build

Vibrant, engaging environment designed around staff needs and preferences

Warm neutral tones in client-facing zones, softer pastels in the open office

A collaborative process that gave staff a sense of ownership in the space

Singapore Pools 1 / 2

Singapore Pools 2 / 2

04 / 12

Traveloka

An office with clear boundaries between spaces.

7,200 sq ft | Design-and-build

External, internal and service areas separated, so each works on its own

Front-of-house that receives clients without them entering the work area

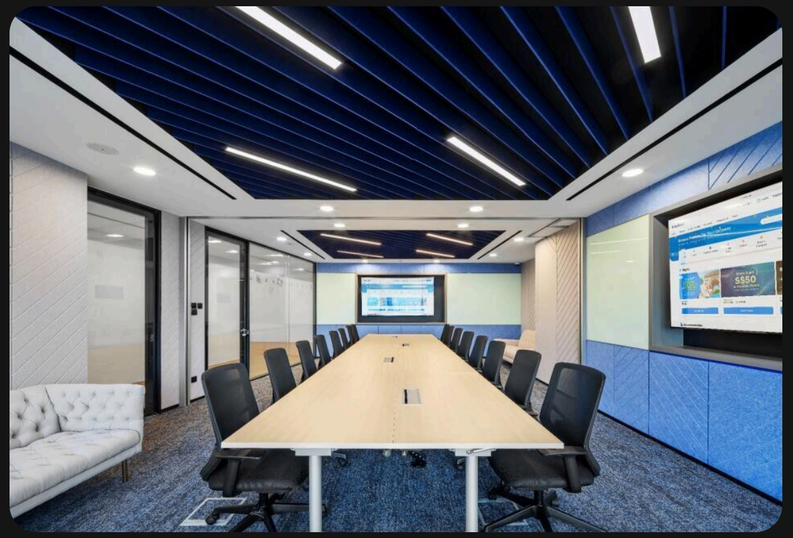

Breakout and pantry by the windows for natural light, with direct access for deliveries

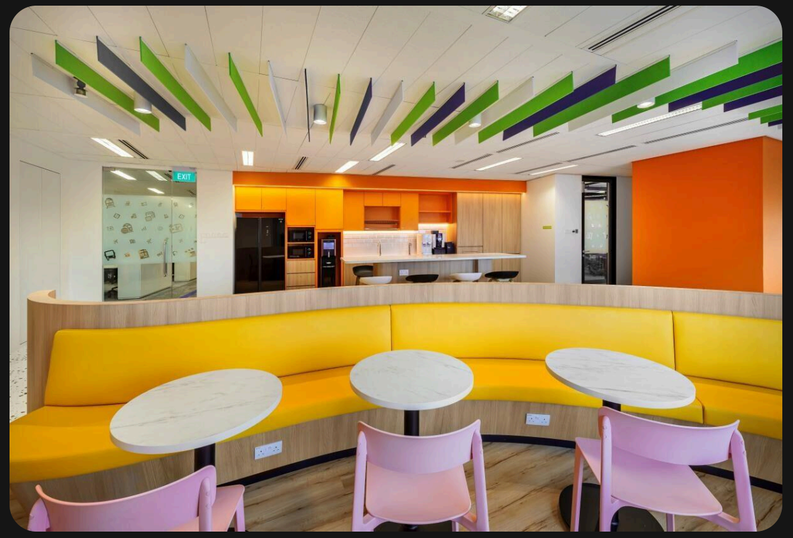

Travel / Technology · Capital Tower, 168 Robinson Road

Traveloka 1 / 2

Traveloka 2 / 2

05 / 12

FIJI Water

An office that feels like the water it's named for.

6,800 sq ft | Design-and-build

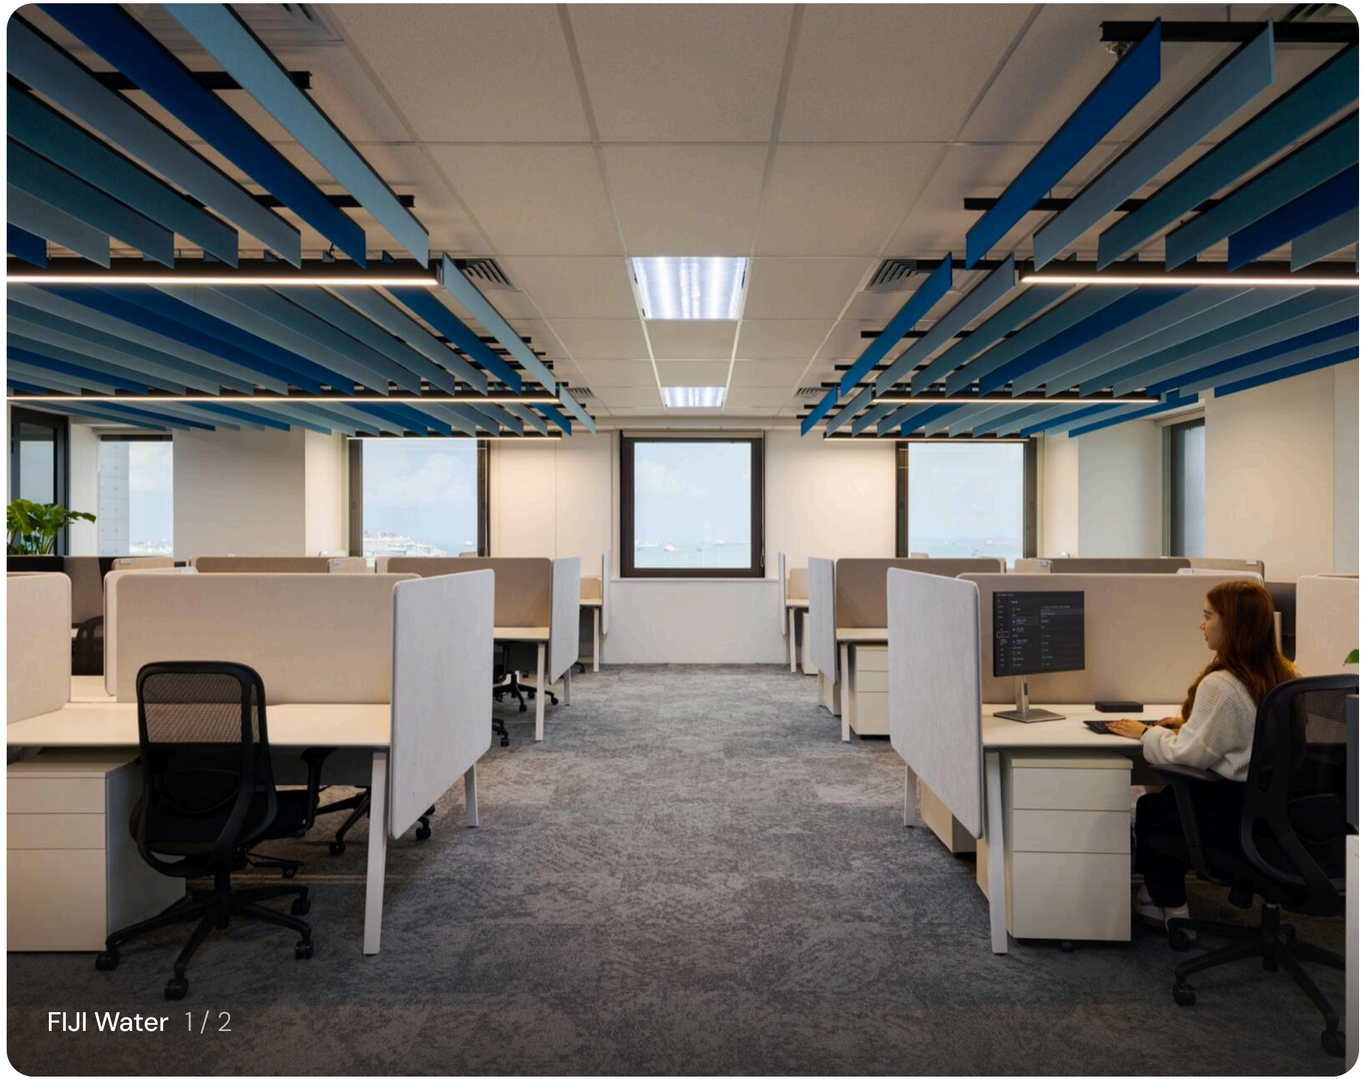

Soft blue tones drawn from ocean water, balanced with warm earthy finishes

Curved architectural elements and layered textures that soften the corporate feel

A calm, refreshing atmosphere that reinforces the FIJI Water brand

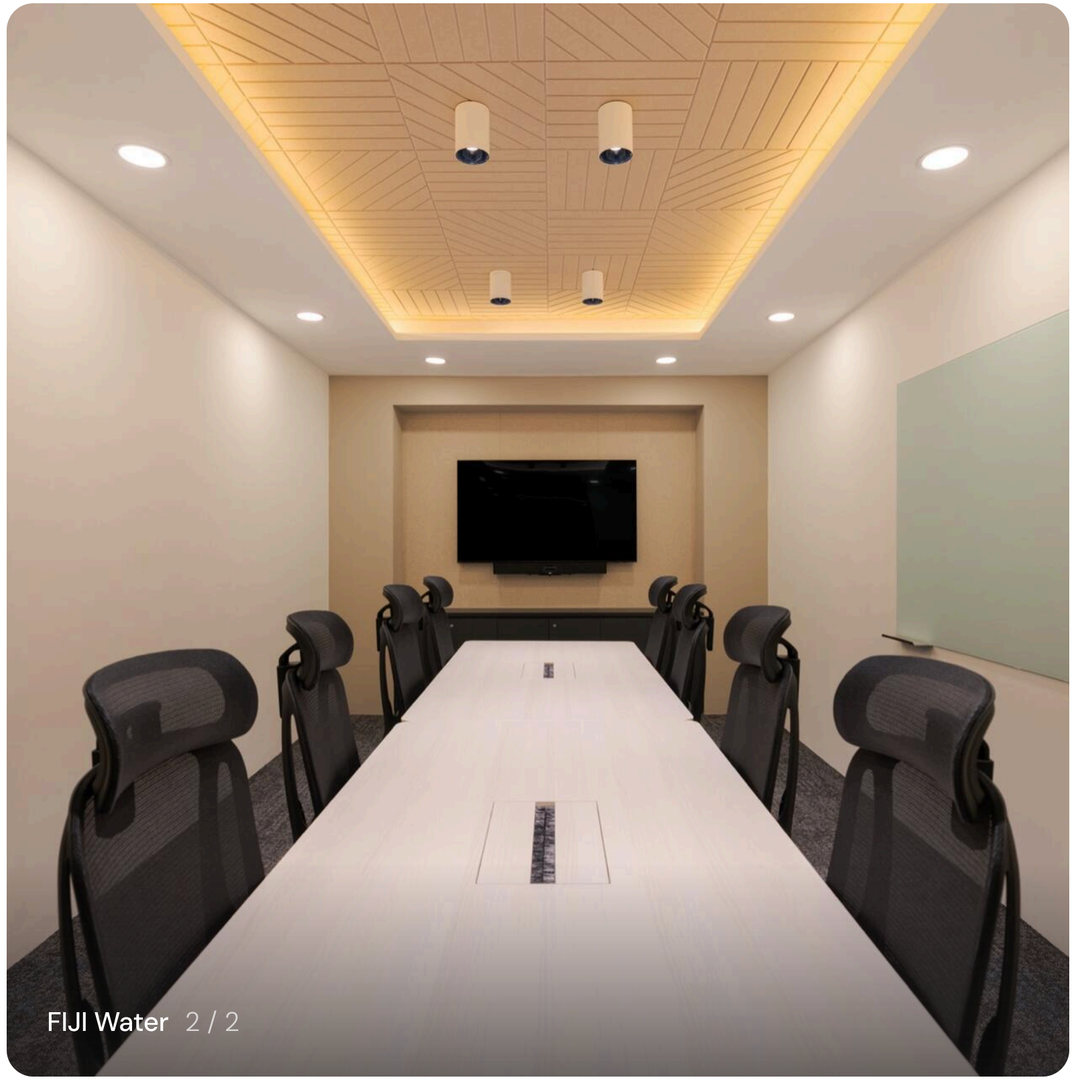

FMCG / Consumer · 78 Shenton Way

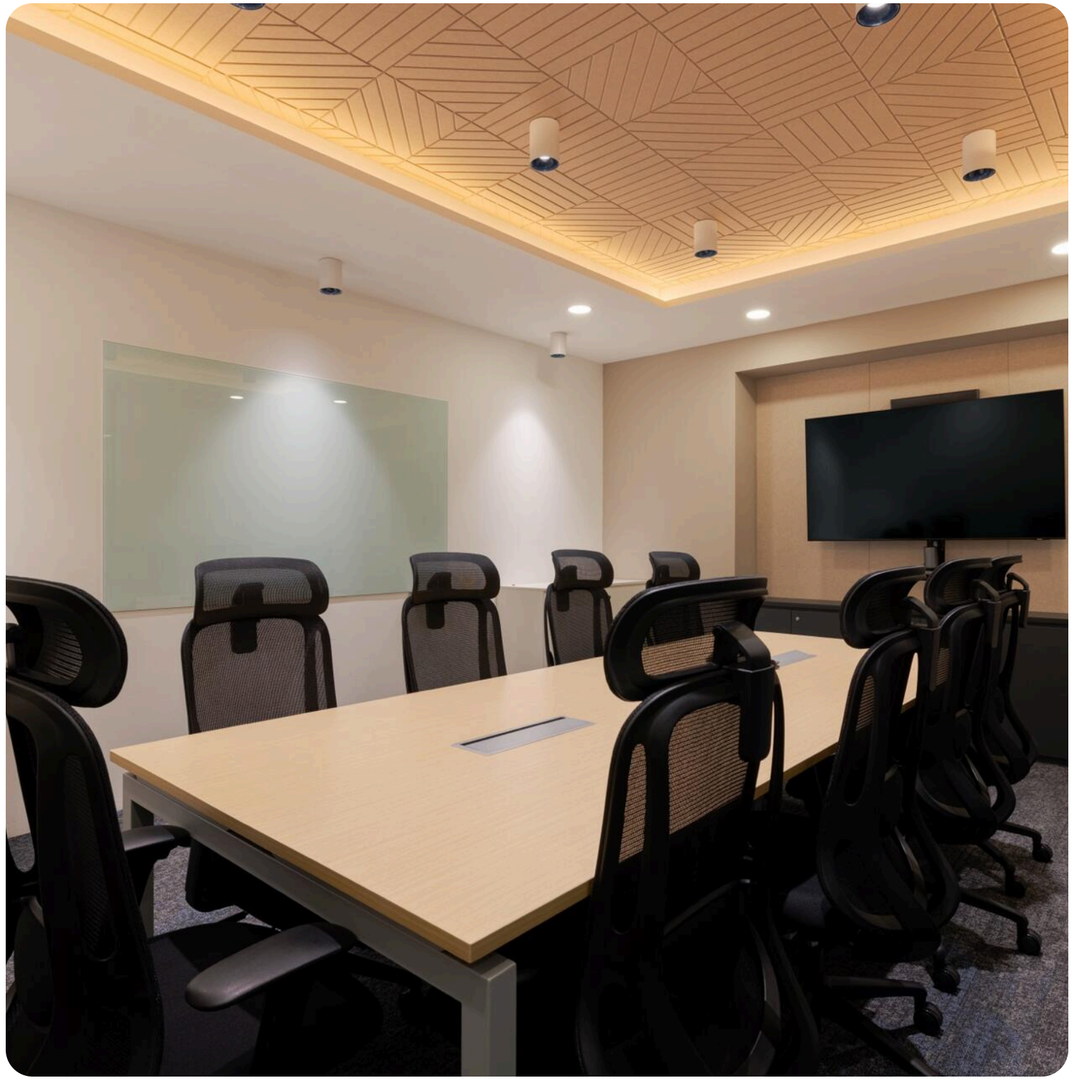

FIJI Water 1 / 2

FIJI Water 2 / 2

06 / 12

OCP Nutricrops

Where agritech meets a greener way to work.

Agriculture / Fertilisers · Springleaf Tower, 3 Anson Road

2,486 sq ft | Design-and-build

A workspace built to be modern, agile and sustainable

Design that reflects the company's focus on innovation and sustainability

Spaces that support collaboration and productivity

OCP Nutricrops 1 / 2

OCP Nutricrops 2 / 2

07 / 12

Digital Edge

Branding you can walk through.

5,000 sq ft | Design-and-build

Corporate colours and branding carried through the whole office

A bold orange feature wall that brings the brand into the reception

A clean, modern layout for a tech company

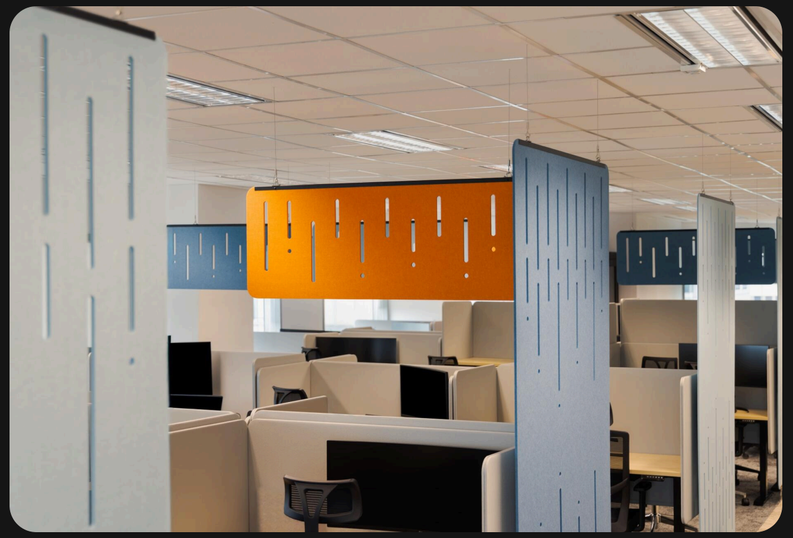

Technology / Data Centres · Suntec City Tower 3

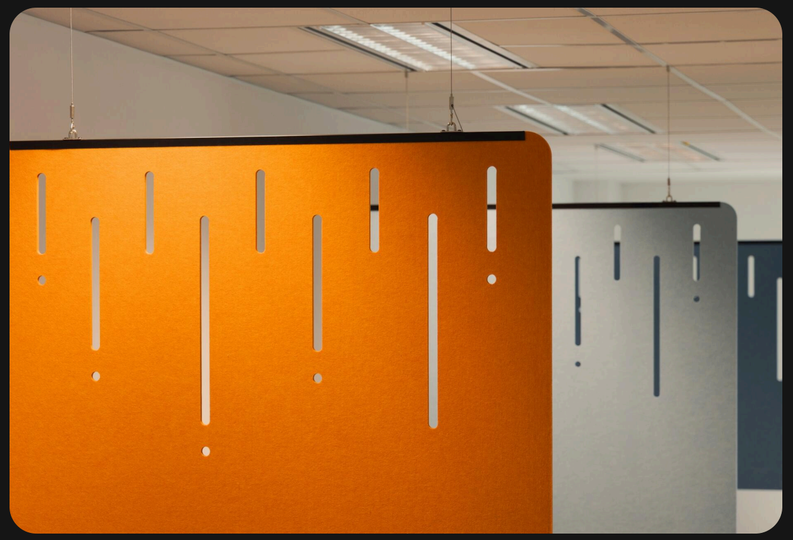

d'trax

Digital Edge 1 / 2

Digital Edge 2 / 2

08 / 12

Sumitomo Chemical Asia

Design driven by how the company works.

12,188 sq ft | A&A and reinstatement

Began with a study of how teams interact and move between tasks through the day

Space planned around operational workflow

A warm material palette, across one of our largest recent fit-outs

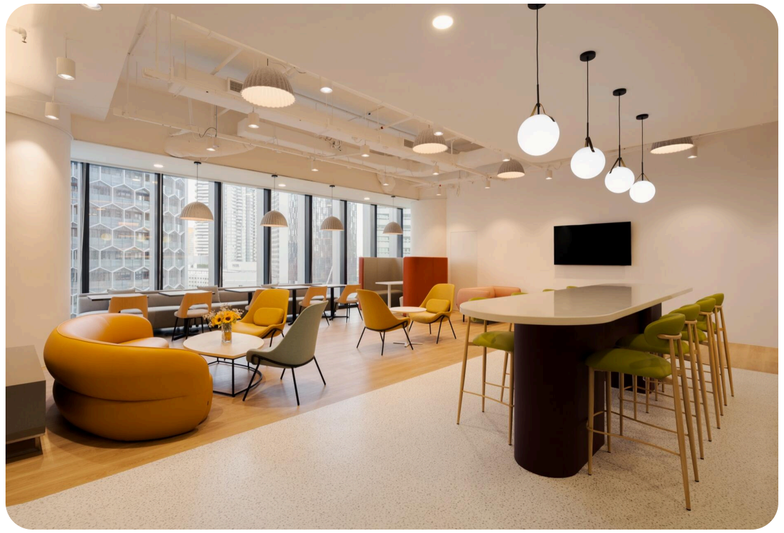

Chemicals / Industrial · Duo Tower, 3 Fraser Street

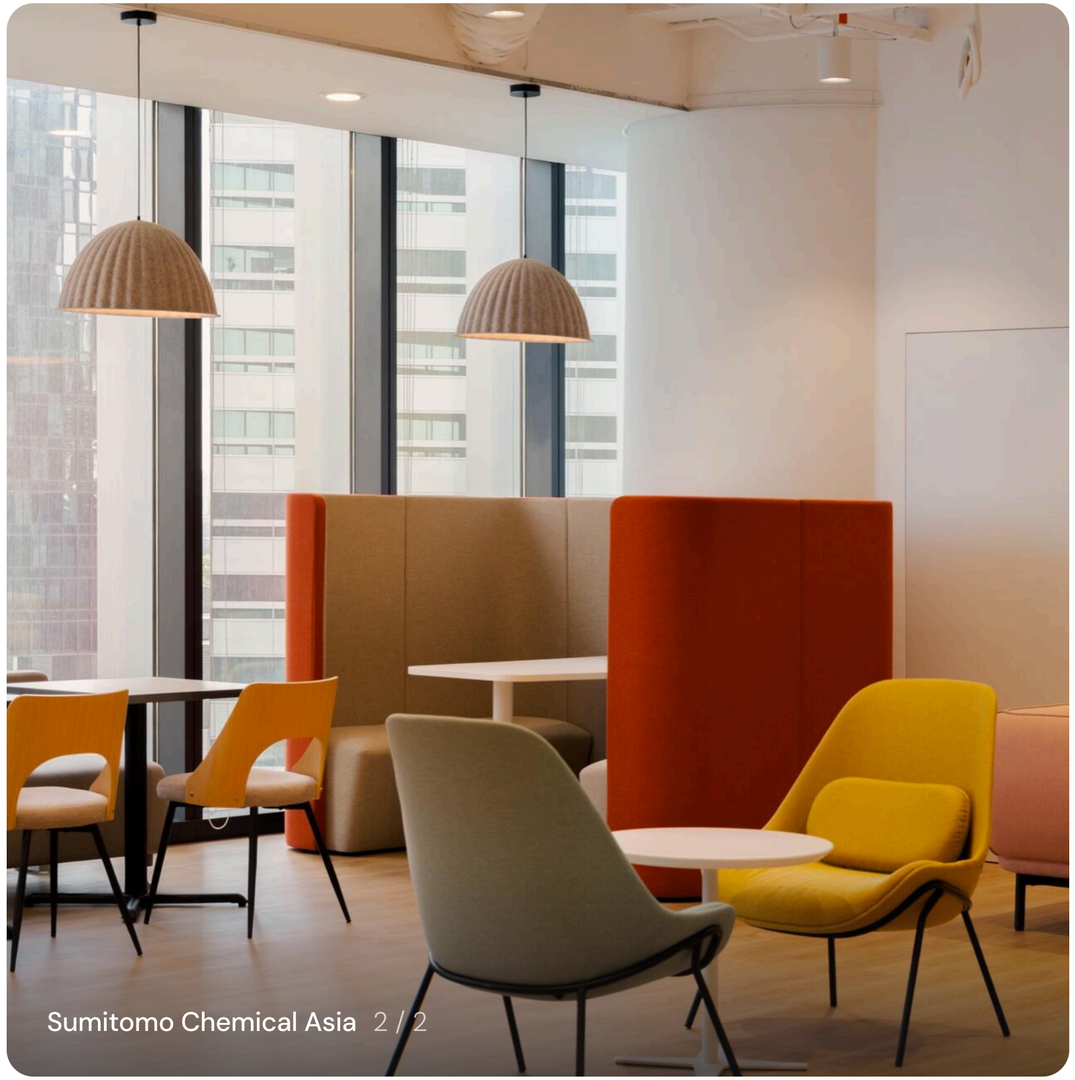

Sumitomo Chemical Asia 1 / 2

Sumitomo Chemical Asia 2 / 2

09 / 12

Edelman

A dull space turned bright and better used.

Public Relations / Communications · Beach Centre, 15 Beach Road

5,000 sq ft | Additions & Alterations

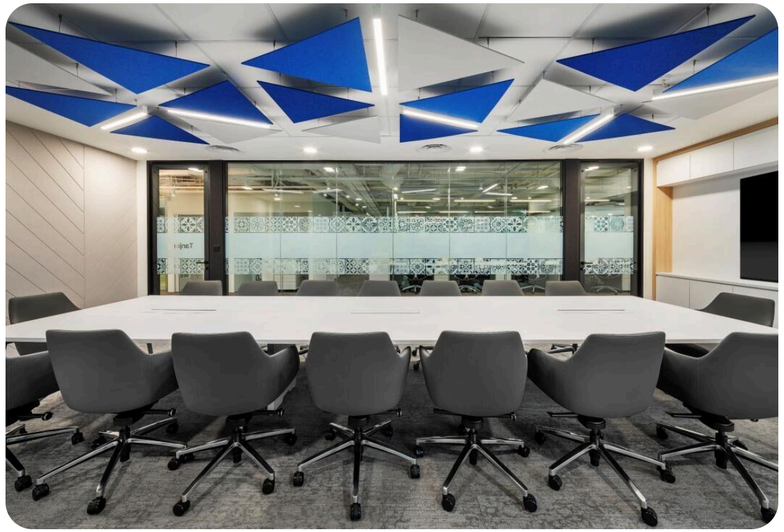

Brightened throughout to lift staff mood and productivity

Underused areas reworked, so each space is better used

Boardroom rebuilt to reflect the brand, with acoustic and double-glazed glass for sound insulation

Edelman 1 / 2

Edelman 2 / 2

10 / 12

Embecta

A smooth, flowing space softened with biophilic design.

7,000 sq ft | Design-and-build

Curved detailing for a smooth, flowing look throughout

Artificial moss wall bringing natural elements into the workspace

Biophilic features that soften the hard surfaces of a typical office

Healthcare / Medical Devices · The Concourse, 300 Beach Road

Embecta 1 / 2

Innovation

Embecta 2 / 2

11 / 12

Mitsui Chemicals

A nature-inspired workplace built for activity-based working.

10,000 sq ft | Design-and-build

Concrete vinyl, wood-grain panelling and a curated moss wall inspired by nature

Self-check-in system and activity-based zones in response to the client brief

A neutral palette with vibrant accents bringing energy into meeting spaces

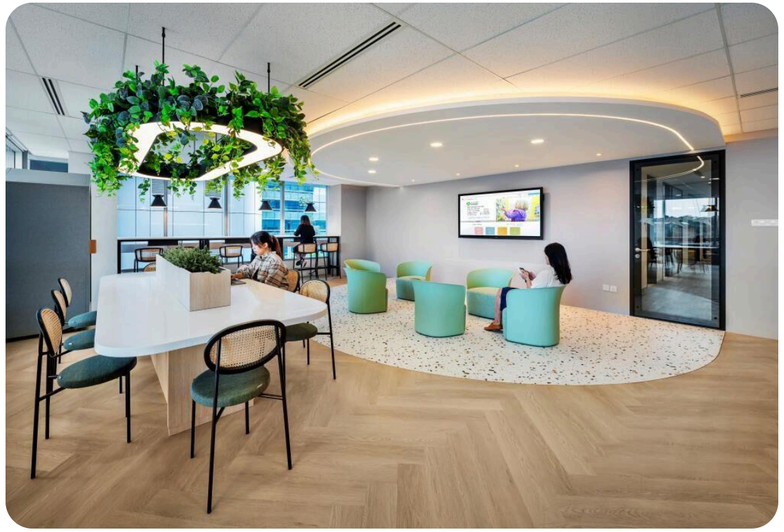

Chemicals / Industrial · Harbourfront Tower One, 3 Harbourfront Place

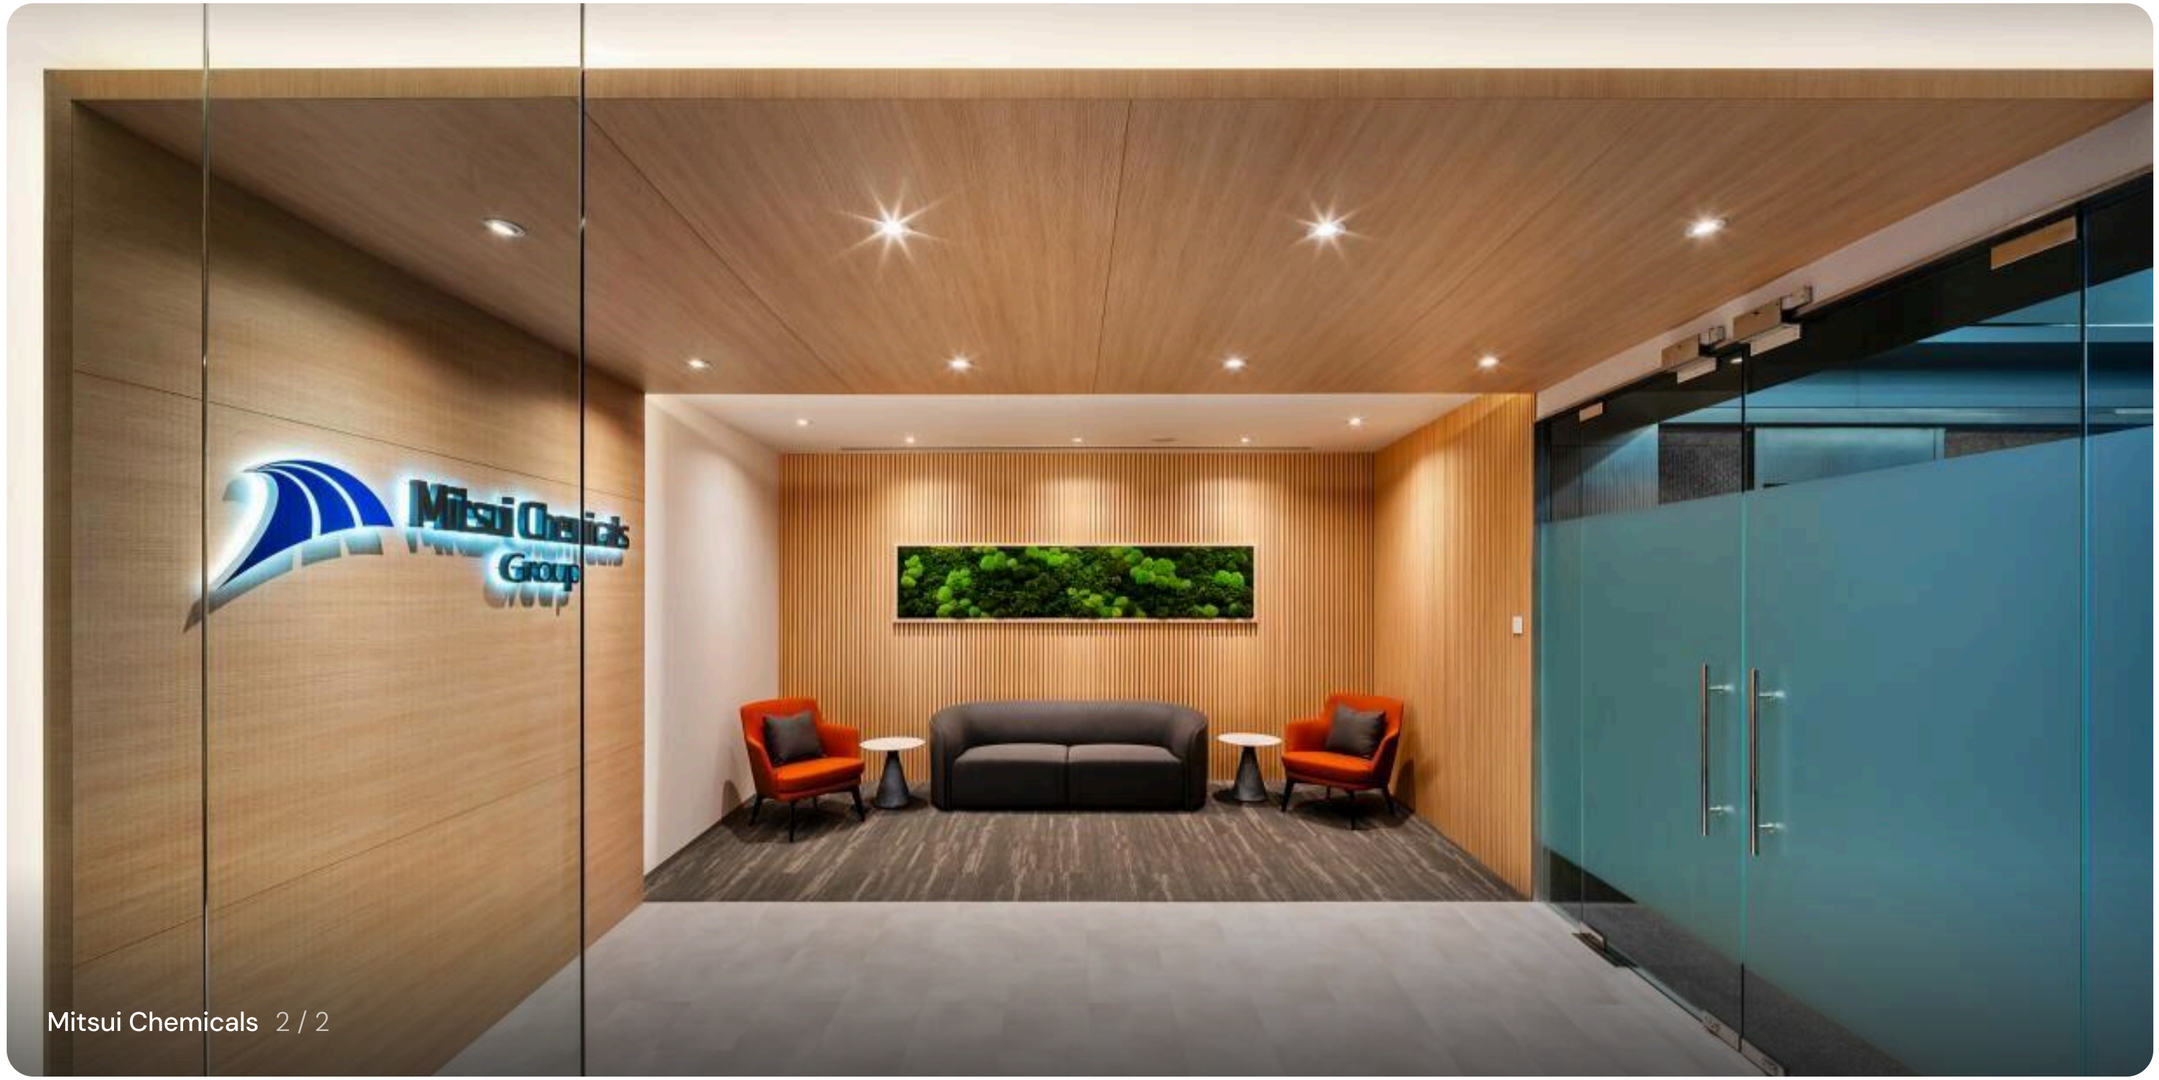

Mitsui Chemicals 1 / 2

Mitsui Chemicals 2 / 2

12 / 12

Sony Pictures

A cohesive, high-impact space for a global media brand.

Media / Entertainment · 77 Robinson Road

7,800 sq ft | Design-and-build

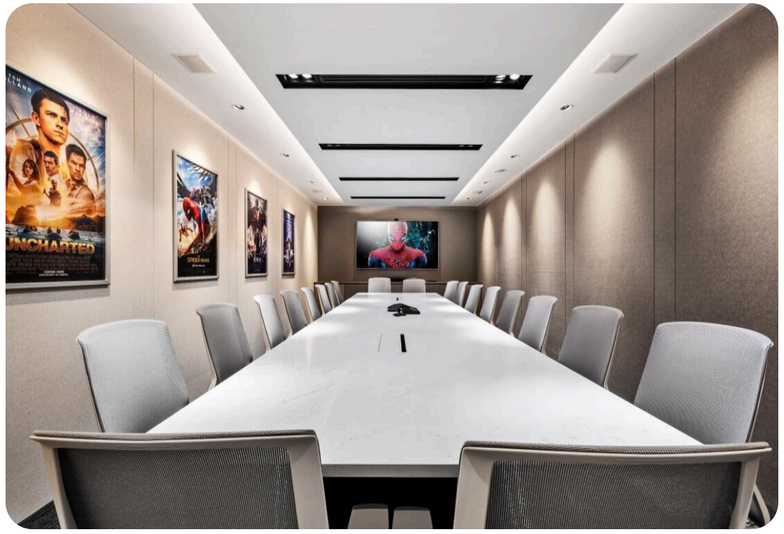

Backlit feature wall with customised Sony branding for a striking first impression

Monochromatic client area accented by film posters and a signature red chair

Viewing room with high-performance AV and acoustic panelling drawn from the Sony logo

Sony Pictures 1 / 2

Sony Pictures 2 / 2

07

What our *clients* say

In their own words.

“

1 OF 5

The team was able to meet and deliver our needs in a timely manner despite the challenging Covid-19 situation as well as time constraints, and we are extremely satisfied with their efforts.

GROUP-IB

Sergey Nikitin

CEO, Group-IB

“

2 OF 5

The team demonstrated professionalism, technical competence, and a strong understanding of our operational and user requirements. A post-occupancy survey with end-users reflected an average satisfaction score of 85%, and their professionalism and reliability make them a recommended partner for similar design-and-build projects.

SINGAPORE POOLS

Mohd Norhelmy Bin Ja’afar

Director, Workplace & Sustainability Engineering, Singapore Pools

“

3 OF 5

Thanks to the designer’s creativity and practical approach, our office has been transformed into a more vibrant and productive environment. Although there were a few challenges along the way, the dedication and professionalism of the D’trax team ensured the project was executed smoothly and delivered on schedule.

SUMITOMO CHEMICAL

Dennis Lim

General Manager, GA, Regional HR and Sustainability, Sumitomo Chemical Asia

“

4 OF 5

We would like to thank you for your assistance in completing our office renovation on time and within budget. Your team was well-organised, capable, and displayed flexibility catering to our requests. D'trax's expertise, commitment and follow-through throughout the entire project was exceptional.

Mitsui Chemicals

Thomas Lin

Senior Manager, IT and Admin, Mitsui Chemicals

d'trax

“

5 OF 5

The team provided their full commitment and dedication throughout the process, overcame challenges along the way, completed the project on time, and continued with further support on any adjustments we requested.

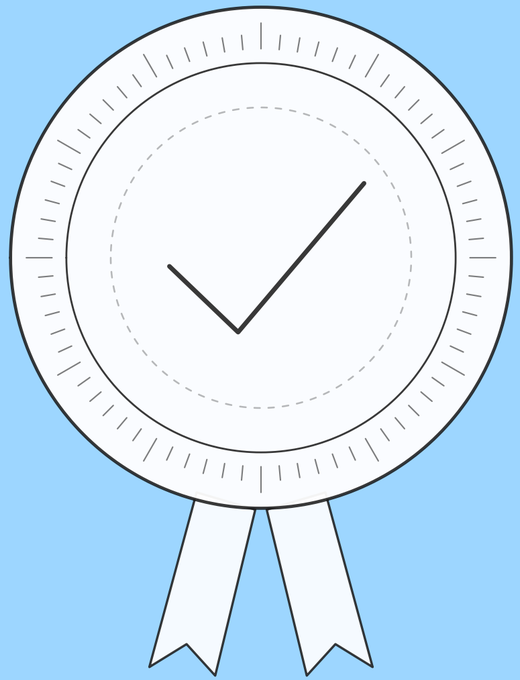

SONY PICTURES

Brett D. Hogg

Executive Vice President and Managing Director, Sony Pictures

08
